

CHECKLIST

New-Hire Onboarding Checklist

A great first 30 days makes new people productive faster and far more likely to stay. Work through this checklist for every new hire.

Before Day 1

- Offer letter signed and contract filed.
- Workspace, equipment, and system logins ready.
- Welcome email with first-day details sent.
- Buddy or mentor assigned.

Day 1

- Warm welcome and team introductions.
- Office / systems tour and key tools set up.
- Review role, expectations, and first-week plan.
- Cover essential policies and where to find them.

First Week

- Manager sets clear 30/60/90-day goals.
- Role-specific training scheduled.
- Introductions to key people across the business.
- First check-in to answer questions.

First 30 Days

- Weekly manager check-ins held.
- Early feedback gathered from the new hire.
- Progress against 30-day goals reviewed.
- Confirm they have what they need to succeed.
